AGROLYMPICS Germany 2017

- Regulations:

1. AGROLYMPICS is a competition open to students of the green sector. Participants must be current students.
2. Every country can send one team consisting of 4 students.
3. If a country cannot send a team, other countries may send more teams.
4. A maximum of 20 teams will be allowed to compete.
5. The National Coordinator of EUROPEA decides which team will represent his country. He will send in the registration formula.
6. Every team must be accompanied by at least one team-leader.
7. The team leader is responsible for the good behaviour of his team.
8. All team members must have a valid health insurance.
9. AGROLYMPICS consists of 18 different practical tasks.
10. Every task will last 15 minutes maximum.
11. Depending on the different tasks, one or more students of each team can solve the tasks.
12. The best team in every task will be honoured
13. ...to be continued...

Official application: from May or June 2017
